By signing this form, you provide permission for your child to use the FCPS-approved online tool listed below.

Fairfax County Public Schools uses a variety of resource to support student learning. In cases where FCPS contracts with a vendor to host student information, FCPS requires that the vendor adhere to the security and privacy requirements specified in a confidentiality agreement included in their contracts. Many valuable instructional tools are governed by Terms of Service (TOS) and include both free and paid tools. This digital resource your child may use this year requires parental consent.

For information about the specific tool that will be used by your child, please contact your child's teacher who recommended it's use.
